Benefits premiums precisely aligned to payroll deductions

Your Leading Advocate

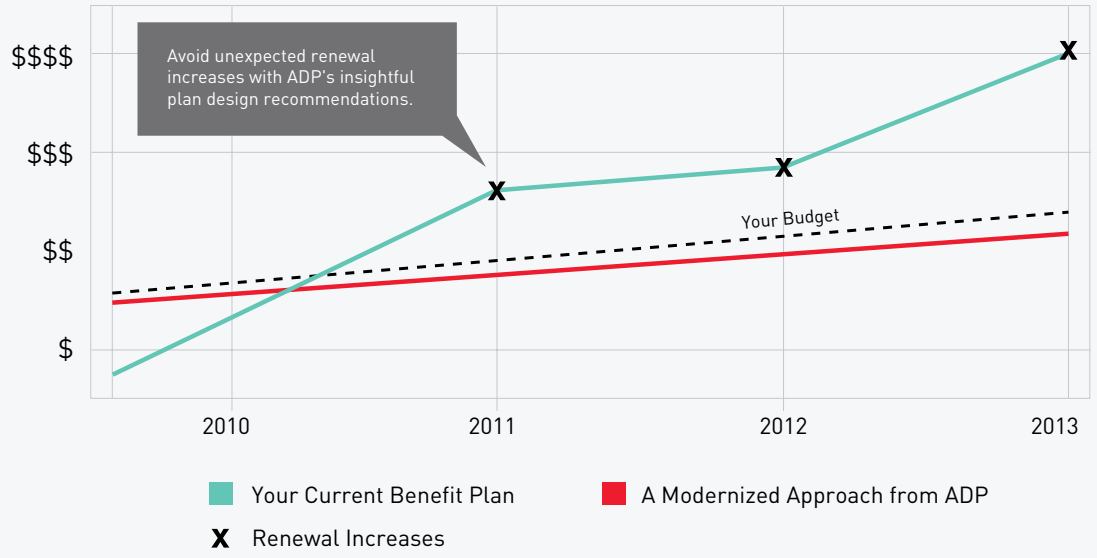
Advocacy driven by insights to benefit at the next level

HOW WE DO IT

You want a strong voice on your side and a trusted partner to give you insights to make better business decisions. Let us speak up for you. Our deep industry expertise, carrier relationships and market benchmarks will enable us to empower you to become a thought leader in employee benefit solutions.

- **You deserve insightful insurance solutions.** That's why we apply a modern plan design to solutions from multiple carriers to find the most cost-effective solution for your specific business goals.
- **You need efficient administration.** You will be able to easily manage your insurance solutions program in conjunction with your ADP payroll.
- **Your benefits need to grow with your business.** Your benefits will be continually reviewed to reflect workforce changes as they occur.
- **Your employees depend on you.** You will have the resources you need to keep your insurance program in compliance and delivering compelling benefits to all your employees.

A Modern Approach to Cost Management



Your Benefits Advantage

Powering your productivity with more than just benefits

WHY IT MATTERS

You're focused on driving business results. Let us power you to do so. Our tools and level of service will accelerate administrative efficiencies and give you more time to focus on your people and your business. You can have the peace of mind that enables focus, which in turn, drives the best business results.

- **You want a predictable budget.** We can show you how. We will help you optimize your pre-tax benefit dollars by making future costs predictable and therefore avoiding unexpected large renewal increases.
- **You want to reward your employees.** A targeted benefits program demonstrates your appreciation for your employees. Increase employee loyalty and retention to drive business results.
- **You want more time to focus on your business.** Save time and reduce errors by managing your benefits in conjunction with payroll.
