

Solutions that optimize your payroll efficiency.

ADP® solutions work together for you.

From payroll to HR to time and attendance management and beyond, ADP has a wide range of services to meet your business needs. When combined, they work together to help streamline processes, create efficiencies and, because you only have to enter employee information once, you'll improve accuracy and save time.

pay@work™ with ezLaborManager®

Optimize your payroll efficiency by combining these two powerful products. pay@work offers a feature-rich payroll solution that you can manage anytime, from anywhere. ezLaborManager allows you to automate your time and attendance processes and to maintain maximum flexibility and control of your labour costs.

Performance Pack with ezLaborManager

Give your business everything it needs to succeed. Performance Pack is an integrated, Internet-based HR and payroll solution for all your employee data needs. ezLaborManager enhances this functionality by reducing payroll preparation time, eliminating manual calculation errors and helping to control labour costs.

Give your business the benefits of an ADP® solution.

Both pay@work™ with ezLaborManager® AND Performance Pack with ezLaborManager let you:

> Streamline Your Data Management

Data entry has never been so efficient. Save time by only having to input employee data once. Plus, get safe and secure access to your information online – anytime or anywhere you need it.

> Reduce Your Labour Costs

Significantly reduce manual errors and virtually eliminate time theft from understated breaks, overstated hours and buddy-punching.

> Produce Your Payroll Quickly and Securely

You can count on ADP to make payroll input and maintenance easy and hassle-free.

> Increase Efficiency and Accuracy

Decrease the amount of data entry required and experience the benefits of automating your time and attendance processes while you maintain maximum flexibility and control of labour costs.

> Control Technology Costs

With an ADP-hosted solution, you have instant access to the latest software and your administrative costs are significantly reduced since there's no hardware or software to purchase or maintain – ever!

> Comply With Policy and Legislation

Enjoy the peace of mind that comes with knowing your organization is always up-to-date and compliant in an increasingly complex regulatory environment.

Performance Pack with ezLaborManager also lets you:

> Focus On Your Business and People

By streamlining your processes and minimizing administrative tasks, you can spend less time on HR and payroll processes and more time focusing on your business and people.

> Improve Productivity

Respond with agility to organizational challenges and changes:

- > Anticipate the impact of organizational challenges with planning tools
- > Trouble-shoot employee problems and crises quickly and easily
- > Delegate everyday work tasks, assigning security access according to your requirements
